CAPACITY

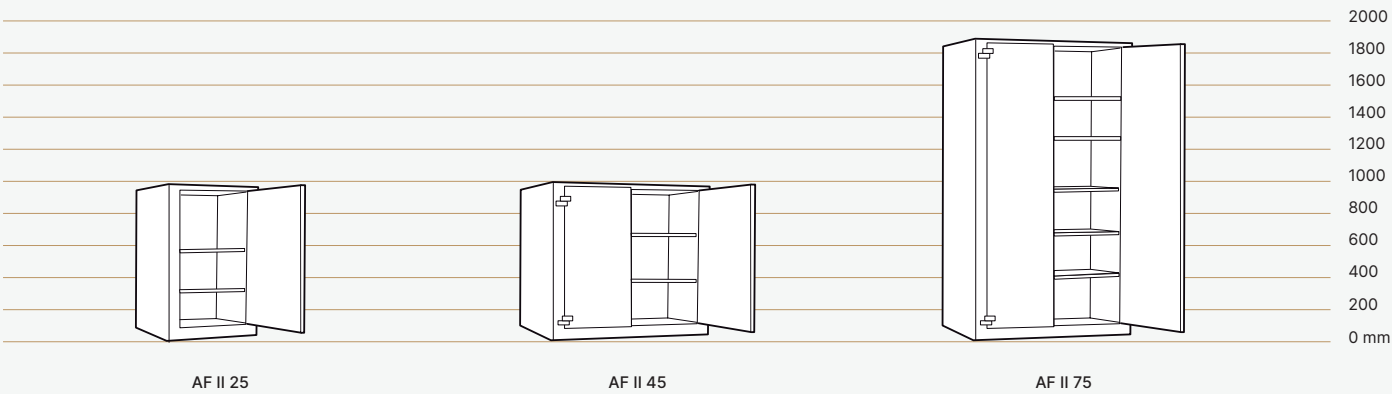

- ✦ 250 litres
- ✦ 450 litres
- ✦ 750 litres

KEY BENEFITS

- ✦ High-performance security cabinet.
- ✦ Best-seller product for protecting sensitive information.
- ✦ Compliant with France's Defence & National Security regulations.

Fichet-Bauche guarantees

Our products are subjected to the most stringent tests approved by insurers and A2P-certified by France's National Centre for Prevention and Protection (CNPP). This is the result of integrating our own test laboratory into our factory to impose conditions going even further than those of certifying bodies. Installation is also carried out by our own technicians to ensure certification of your safe is always preserved.

Fichet locks

A2P-certified locks as per European standards EN 1300:

MxB key lock +3 cylinders (patented by Fichet-Bauche)

Moneo V (B Grade) mechanical combination lock

Nectra electronic combination lock

A hallmark of our brand

With 200 years of experience as master locksmiths, we develop and manufacture our own exclusive locks. This is one of the key strengths of our safes and a guarantee of high security. We remain committed to permanent investment in R&D, always looking for more functionality, more resistance, new materials and more advanced lock technologies.

Product details

AF II is our best-selling solution for the protection of sensitive information. Available in 3 sizes, it is designed to provide maximum storage capacity with a fully modular interior. In addition, it allows full access to contents with doors that can be opened up to 180°.

PERFORMANCE AND SECURITY

AF II security cabinets provide:

- ✦ Compliance with Defence & National Security regulations (Grade B as per IGI 1300)
- ✦ Choice of mechanical or electronic locks (all A2P-certified as per EN 1300)
- ✦ Automatic relocking as required for all Grade B equipment
- ✦ Locking by solid bolts (20mm diameter) reinforced by a rear anchorage bar protecting hinges (anti-heeling device)
- ✦ 2mm-thick steel-sheet walls under powder coated finish
- ✦ Double-walled doors with a total 65mm thickness

INTERIOR FITTINGS AND OPTIONS

- ✦ Shelves
- ✦ 370×220mm (HxL) lockable compartments
