ATRIUS

Burglary Protection

Based on our premium InviKtus range, Atrius safes offer an ideal solution to equip business premises and other professional environments with high security requirements. Thanks to an exclusive barrier material developed by Fichet-Bauche's R&D teams, Atrius safes deliver high levels of resistance to burglary while preserving an optimum weight/security performance ratio.

Key features

PROTECTION

- ✦ Certified burglary resistance as per EN 1143-1 (Grades IV-V)

CAPACITY

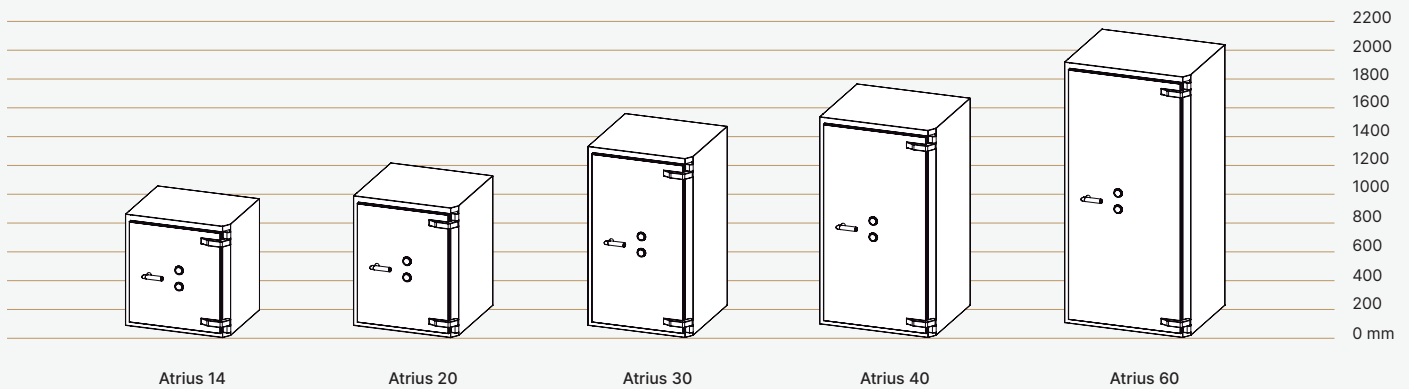

- ✦ 140 litres
- ✦ 200 litres
- ✦ 300 litres
- ✦ 400 litres
- ✦ 600 litres

KEY BENEFITS

- ✦ High levels of burglary resistance
- ✦ Optimum weight/security performance ratio thanks to patented innovative materials.

Fichet-Bauche guarantees

Our products are subjected to the most stringent tests approved by insurers and A2P-certified by France's National Centre for Prevention and Protection (CNPP). This is the result of integrating our own test laboratory into our factory to impose conditions going even further than those of certifying bodies. Installation is also carried out by our own technicians to ensure certification of your safe is always preserved.

Fichet Locks

A2P-certified locks as per European standards EN 1300.
Standard safes are equipped with 2 Grade-B certified locks:
1 MxB-B keylock and 1 mechanical/electronic lock

MxB-B key lock
(patented by Fichet-Bauche)

Moneo mechanical
combination lock

Nectra electronic
combination lock

KelNet electronic
combination lock

A hallmark of our brand

With 200 years of experience as master locksmiths, we develop and manufacture our own exclusive locks. This is one of the key strengths of our safes and a guarantee of high security. We remain committed to permanent investment in R&D, always looking for more functionality, more resistance, new materials and more advanced lock technologies.

Product details

Fichet's Atrius range is designed for simplicity of use and practicality: handle to the left, key to the right, controls at the top. Their ergonomic handle provides an ideal grip for easy opening and full access to contents.

PERFORMANCE AND SECURITY

Atrius safes offer:

- ✦ Burglary resistance as per EN 1143-1 certified by A2P and ECB-S (Grades IV and V with €110,000 and €200,000 insurance ratings respectively)
- ✦ Choice of mechanical and/or electronic locks (all A2P-certified as per EN 1300)
- ✦ Bolt movement driven by door handle
- ✦ Robust steel bolts and reinforced hinges specifically designed to resist modern methods of attack
- ✦ Optional factory-installed alarm configurations for remote lock management: DOCT sensors for shock and thermal opening detection - compatible with most centralised alarm platforms – allow for 24/7 monitoring and detection

INTERIOR FITTINGS AND OPTIONS

- ✦ Standard or reinforced shelves
- ✦ Shelves for suspension files frames
- ✦ Lockable compartments
- ✦ Lockable drawer
- ✦ DOCT alarm sensors
- ✦ Anchoring kit included for safes weighing less than 1,000kg (mandatory as per EN 1143-1 requirements).

Atelier Boonen

Authorised Fichet-Bauché dealer in Brussels
