CARENA

Burglary Protection

Carena safes offer a sleek and elegant design. An exclusive barrier material developed by our R&D teams to comply with the requirements of European standards optimises their weight/storage capacity ratio while preserving high levels of protection.

Key features

PROTECTION

- ✦ Certified burglary resistance as per EN 1143-1 (Grades I-III)

CAPACITY

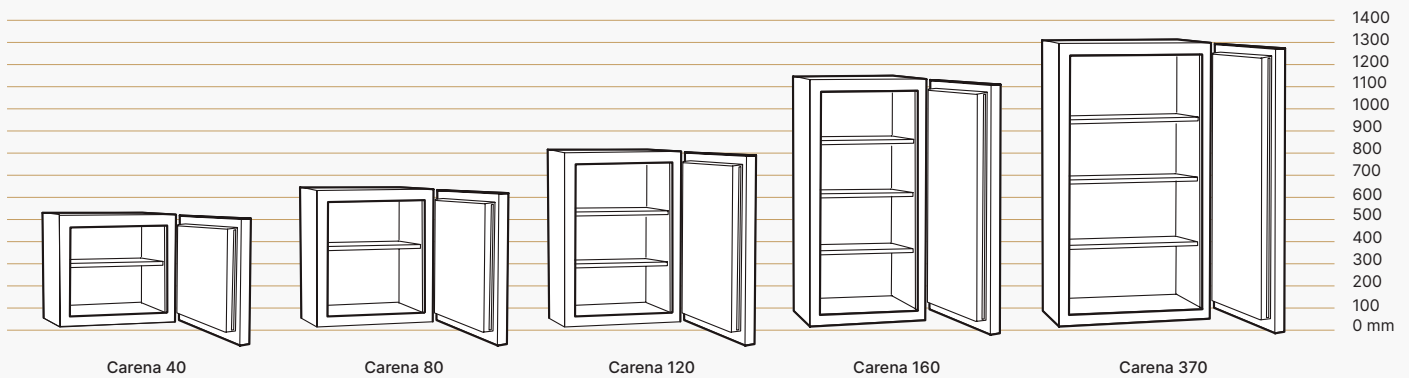

- ✦ 40 litres
- ✦ 80 litres
- ✦ 120 litres
- ✦ 160 litres
- ✦ 370 litres

KEY BENEFITS

- ✦ Sleek design and high level of protection
- ✦ Multiple options for customisation (choice of locks, choice of capacity, interior fittings, etc.)

Fichet-Bauche guarantees

Our products are subjected to the most stringent tests approved by insurers and A2P-certified by France's National Centre for Prevention and Protection (CNPP). This is the result of integrating our own test laboratory into our factory to impose conditions going even further than those of certifying bodies. Installation is also carried out by our own technicians to ensure certification of your safe is always preserved.

MxB-B key lock
(patented by Fichet-Bauche)

MC4 mechanical
combination lock

Moneo mechanical
combination lock

Nectra electronic
combination lock

KelNet electronic
combination lock

A hallmark of our brand

With 200 years of experience as master locksmiths, we develop and manufacture our own exclusive locks. This is one of the key strengths of our safes and a guarantee of high security. We remain committed to permanent investment in R&D, always looking for more functionality, more resistance, new materials and more advanced lock technologies.

Product details

Carena safes are distinguished by superior design based on clean lines. In addition to their exceptional aesthetics, their ergonomics make them easy-to-handle safes while providing maximum protection against burglary. Carena is available in six sizes, from 40 to 370 litres of storage capacity.

PERFORMANCE AND SECURITY

Carena safes offer:

- ✦ Burglary resistance as per EN 11431 certified by both A2P and ECB•S (Grades I-III with €25,000 to €55,000 insurance ratings)
- ✦ Choice of mechanical or electronic locks (all A2P-certified as per EN 1300)
- ✦ Full length bolt movement driven by door handle, with anchoring bar and anti-heeling protection on the hinge side
- ✦ Optional factory-installed alarm configurations for remote lock management: DOCT sensors for shock and thermal opening detection - compatible with most centralised alarm platforms – allow for 24/7 monitoring

INTERIOR FITTINGS AND OPTIONS

- ✦ Black sliding lock cover, except for versions equipped with a Moneo or Kelnet lock.
- ✦ Standard or reinforced shelves
- ✦ Lockable compartments
- ✦ Sliding trays
- ✦ Shelves for hanging suspension files
- ✦ DOCT alarm sensors
- ✦ Vision Pack option: glass shelf/shelves and battery-powered internal LED lighting (switched on by sensor)
- ✦ Leather finish option
- ✦ Anchoring kit included for safes weighing less than 1,000kg (mandatory as per EN 1143-1 requirements)

Atelier Boonen

Authorised Fichet-Bauché dealer in Brussels
